Gerhard S. Hasenkamp

TO : Office of Military Government for Germany (US)  
Office of the Director of Information Control  
APO 742, US ARMY

ATTENTION: CHIEF OF RESEARCH BRANCH

1. Upon your request dated 26 August above subject was interviewed.
2. Subject makes an excellent impression and has the definite intention to emigrate as soon as there is going to be an opportunity. He has not been before a denazification board and expects only to be called in a few months. He is not interested to write at the present time for the reason that he does not like for a publisher to take the risk to publish articles by him, a previous 1st lieutenant of the Waffen-SS. Although he has plenty of documents to prove that he can be considered a nominal member and he did many things which are absolutely in his favour while in the Waffen-SS, he will not ask for permission to go back into his old field again but will continue to work as a mechanic to prepare himself for an emigration favorably to Australia.
